Website: vcfpd.org

Dear Valley Center Resident:

My name is Jim Davidson and I'm your Fire Marshal here in Valley Center. It's my job to do everything I can to help reduce any possible life safety risks to you and your family in our community.

The WildFire Safety Fair, presented by SDG&E, represents just one great opportunity for me to get our message of Fire Safety to you. Thank you so much for your participation!

Enclosed you will find information on how to safely prepare for wildfire (before, during and after), as well as information on how to make your house more ember resistant, your property easier for us to find, and how you can stay informed in the event of any kind of emergency.

If you are interested in what an ember storm looks like, and some of the research going into structure protection, take a look at this video on Youtube: <https://www.youtube.com/watch?v=lvbNOPSYyss>

Beyond that, I wanted you to know that you can always call our business office. My team and I will be happy to come to your home and give you a personalized courtesy inspection. Our goal is to do everything we can to minimize any risk to your home and your property. These courtesy inspections are free and typically take less than 30 minutes.

Thank you for your time and your interest!

If you have any questions or concerns please feel free to call my office or contact our Fire Prevention Desk at (760) 205-5460.

Thank you

Jim Davidson
Fire Marshal / Battalion Chief
Valley Center Fire Protection District
