

# Valley Center Fire Protection District

The entire Valley Center community, members of Public Safety, Public Services, Education and Military Veterans are invited to participate in reading the names of all of our fallen during the attacks on the Twin Towers in New York City, The Pentagon and Flight 93 in Shanksville Pennsylvania. We will also remember those who have died as a result of working on the debris pile searching for their lost brothers and sisters.

The Valley Center Fire Protection District will be hosting a September 11, 2001 Patriot Day Remembrance Ceremony at Valley Center Fire Station 1. This will be followed by an open house with light refreshments and community fellowship.
